For the attention of:

**Scott Morrison**

Former Prime Minister of Australia  
Former Member of National Cabinet  
Former Leader of the Liberal Party of Australia  
Member of the Australian Parliament for Cook

Dear Scott Morrison, in June 2021, **why did you want to *mandate* Covid-19 vaccination for aged care workers?**

On 4 June 2021, the *ABC* reported that you were going to "**lobby state and territory leaders to overrule medical experts' advice and *force* aged care workers to get the coronavirus vaccine**", even though the AHPPC chaired by Chief Medical Officer Paul Kelly had "**advised for a second time *against* making the coronavirus vaccine compulsory**". (My emphasis.) (Please see attached *ABC* article and AHPPC Statement dated 4 June 2021).

Scott Morrison, **why did you take it upon yourself to overrule CMO Paul Kelly and the AHPPC's advice *against* making the coronavirus vaccine compulsory for aged care workers?**

**Was this your own initiative or were you being advised by other parties? If so, who provided you with the advice to overrule CMO Paul Kelly and the AHPPC?**

I request your early response on this matter.

Sincerely

Elizabeth Hart
